MEMORANDUM FOR: Chairman, National Intelligence Council

FROM: Lawrence K. Gershwin  
National Intelligence Officer for Strategic Programs

SUBJECT: Travel Request

I request your approval for NIC funds for a trip for the NIE 11-3/8-86 management team to SAC HQ in Omaha, Nebraska, Ellsworth AFB in Rapid City, South Dakota, and Space Command and NORAD HQ in Colorado Springs, Colorado. The purpose of the trip is to learn how information in this Estimate is used by SAC in developing and implementing the SIOP and by Space Command and NORAD. Better understanding the information's use will provide insights into ways to improve the Estimate, including the identification of new topics for discussion or any gaps in the present discussions.

The trip is scheduled for 6-11 October 1985 and the funds would cover expenses--estimated at about \$1,000 each--for the NIE Manager and Assistant Manager and an Assistant NIO/SP. Approximately eight other individuals involved in the production of the Estimate will also accompany us, but their expenses will be covered by their parent organizations.
